YOUR BEAUTY, ON REPEAT
Seletti, an Italian design brand known for its pop and irreverent style, transforms Collistar sets into creations with a distinctive character. Inside the box, a limited-edition compact mirror inspired by the shape of a cassette tape: an icon of the past reinterpreted as a contemporary object.

Just one product for four benefits: as **hydrating** as a lip balm, with the **vibrant color** and **shine** of a gloss, and the **precise application** of a lipstick, all in a twist! The formula contains hyaluronic acid, pro-collagen and hydrolyzed collagen for a nourishing and smoothing action. Application is quick and precise thanks to the **special "lipstick-shaped" tip**, which glides over the lips, coating them in a **lightweight film** with **buildable color** and a **luminous finish**.

TWIST DESIGN LIP PENCIL
02 - TERRACOTTA

The **extra-precision** lip pencil, with a **creamy sensorial feel** and a **gel-like texture**, envelops the lips in an ultra-comfortable, smooth, and velvety film with a **soft-matte finish**. The highly pigmented formula, with immediate color payoff, ensures precise and controlled application and allows to effortlessly define the lip contours as well as to fill in the lips with an **even, easily buildable color**. **Waterproof, no-transfer, long lasting.**

YOUR BEAUTY, ON REPEAT
Seletti, brand di design italiano dallo stile pop e irriverente, trasforma i set Collistar in creazioni dal carattere inconfondibile. All'interno uno specchio da borsa in edizione limitata, ispirato alla forma della musicassetta: un'icona del passato reinterpretata come oggetto contemporaneo.

Un solo prodotto per quattro benefici:
Idratante come un balsamo
labbra, dal **colore brillante** e dalla
lucentezza tipica di un gloss, dal
tratto preciso come un rossetto,
in un twist! La formula contiene
acido ialuronico, pro-collagene e
collagene idrolizzato per un'azione
nutriente e levigante. L'applicazione
è precisa e veloce grazie alla
speciale punta "rossetto" che
scorre sulle labbra, vestendole di
un **film leggero**, dal **colore**
modulabile e dal **finish luminoso**.

TWIST DESIGN MATITA LABBRA
02 - TERRACOTTA

La matita labbra ad **extra precisione**, dalla **sensorialità cremosa** e dalla **texture gel-like**, avvolge le labbra in un film ultra-confortevole, aderente e vellutato, dal **finish soft-matte**. La formula pigmentata, dal rilascio colore immediato, consente un'applicazione precisa e controllata, permettendo sia di disegnare con facilità i contorni che di riempire le labbra con un **colore uniforme e modulare**. **Waterproof, no transfer**, a lunga durata.
